

## OUR PRODUCE

We are embracing the circular economy and trying to use and produce as much as possible within our business. Wild Farm in Radlett is our most important addition to help us reach our goal. Wild farm now produces fruit and vegetables and edible flowers for our cafes and eggs for our cakes. Cardboard from our sites is returned to the farm for our no dig method so we keep carbon in the soil. We send vegetable trimmings there and produce compost to start the growing cycle all over again. We wash and bake eggshells and crush them to produce calcium to help the vegetables grow.

## OUR BAKERY

Our wonderful on-site bakers produce all our bread and cakes, from brioche to sourdough or crumpets to carrot cake. Shipton Mill provides us with fine English flour for all our baked items. Our bakery also supplies to Cafe in the Park in Rickmansworth and other local Cafes.
