A BIT ABOUT US...

Did you know that as well as owning our own bakery that produces all our own bread & cakes, we also have our own farm, Wild farm, which is a no-dig, regenerative market garden in Radlett, growing fruit and vegetables using organic principles free from harmful chemical sprays. It is also home to chickens, they provide eggs that come in different shades and sizes that go into our bakery for the production of our cakes. As much as possible our menu incorporates our farm grown produce. Even our food waste within our kitchens makes compost for our farm.
