A BIT ABOUT WILD FARM...

Did you know that as well as owning our own bakery that produces all our own bread & cakes. We also own our own farm. Wild farm is a no-dig market garden in Radlett, growing fruit and vegetables using organic principles free from harmful chemical sprays. It is also home to chickens. They provide eggs that come in different shades and sizes that go into our bakery for the production of the cakes. As much as possible our menu incorporates our farm grown produce. Our food waste within our kitchens makes compost for our farm.
